

## INVITATION TO REGISTER ON THE TECHNOLOGY INNOVATION AGENCY (TIA) DATABASE OF EXTERNAL EXPERTS

Technology Innovation Agency (TIA) is an entity of the Department of Science and Innovation (DSI) established (in terms of Act 26 of 2008) for the purposes of enabling and supporting technological innovation to deliver socio-economic benefits for South Africa and enhance its global competitiveness. These goals are achieved by supporting the development and commercialisation of research outputs from higher education institutions, science councils, public entities, private research institutions, enterprises and bringing them to market.

### PURPOSE

- TIA has established a database of external experts who provides the required expertise to assist the organisation with efficient delivery of applications assessment as and when required across various functions.
- The external experts will provide analysis and recommendations on technical, intellectual property, legal, financial, commercial etc as specified when requested based on the scope of the work.

### REGISTRATION REQUIREMENTS:

- Experts that previously registered on our database are required to re-register.
- Written approval to perform other work if expert is employed by a government institution
- In the case of international experts, an SBD1 form needs to be completed and submitted to SARS for a directive.
- The external experts will also be required to sign a non-disclosure agreement, non-use agreement and confidentiality agreement with TIA.
- The individuals credit status will be determined before being included in TIA external expert database.
- Taxation will apply in accordance with the South African income tax regulations (as applicable)

### APPLICATION PROCESS

Interested expert must refer to the TIA website  
<https://www.tia.org.za/blog/2023/02/17/invitation-to-register-on-the-tia-database-of-external-experts/>
