

INVITATION TO REGISTER ON THE TECHNOLOGY INNOVATION AGENCY (TIA) DATABASE OF EXTERNAL EXPERTS

The Technology Innovation Agency (TIA) is an entity of the Department of Science and Innovation (DSI). TIA is mandated through the Technology Innovation Agency Act, No. 26 of 2008, to promote the development and exploitation of discoveries, inventions, and innovations to improve the quality of life for all South Africans by bridging the innovation chasm between research and commercialisation.

TIA's objective is to support the state in stimulating and intensifying technological innovation to improve economic growth and the quality of life of all South Africans through the development and exploitation of technological innovations.

TIA extends an invitation for individuals or service providers to register as prospective supplier or experts on the expert database. Through the expert database the Agency intends to broaden the list of independent subject matter experts to build and strengthen TIA's capacity.

The selected expert will support the agency in assessing, evaluating, and verifying applications for investment including access to leading knowledge as and when required. This will include, Due diligence investigations, Application assessment, Project audit reviews, Valuations, Deal structuring, Post investment, Business rescue, Thought leadership, Forensic audit investigations and Final project programme performance reviews.

MINIMUM REQUIREMENTS

- A minimum of 5 - 10 years' experience in the relevant field of expertise.
- A minimum of 3-5 years' experience in technology innovation.
- Experience in developing technology innovation related project plans.
- Experience in evaluating project economic effectiveness and efficiency.
- Capability in providing concise reports of assessments, due diligence investigation and recommendations.

DOCUMENTS REQUIRED

- A cover letter and detailed CV specifying expertise, based on skills and experience in technology innovation.
- Reference letters from 3 – 5 organisations where technology innovation funding application assessments and/or due diligence investigation was conducted.
