1. BACKGROUND

- 1.1 The Technology Innovation Agency (TIA) is a schedule 3A public entity of the Department of Science, Technology and Innovation, in terms of the Public Finance Management Act, 1999 and established in terms of the Technology Innovation Agency Act, 2008. The Agency is set up as a public entity with the aim of stimulating and intensifying technological innovation in order to improve economic growth and the quality of life of all South Africans by developing and exploiting technological innovations.
- 1.2 TIA's core business objective is to support the development and commercialisation of competitive technology-based services and products. The Agency primarily uses South Africa's science and technology base to develop new industries, create sustainable jobs and help diversify the economy.

2. PURPOSE

- 2.1 TIA seeks to procure services that will support the Talent Acquisition process as follows:
- 2.1.1 To procure a **Panel of Executive Search service providers** to broaden the reach of suitably qualified candidates when filling Executive positions and;
- 2.1.2 To procure a Panel of Recruitment Agencies to reduce the recruitment cycle times and access staff-on-demand during peak periods.
 <u>Bidders should specify the Panel they are applying for and provide the necessary supporting documentation.</u>

3. SOLUTION DESCRIPTION

- 3.1 Due to operational requirements of the Human Resources unit, there exist a need to appoint a panel of service providers that can assist TIA to recruit and search for suitable candidates to fill vacant positions. The evolving capacity needs of TIA requires the use of experienced service providers that can provide effective Recruitment and/or Executive Search services.
 - 3.2 To fully capacitate the organisation on a continuous basis, TIA seeks to appoint a Panel of Executive Search service providers and a Panel of Recruitment Agencies that can be utilised and rotated as required.

4. BUSINESS PROBLEMS AND ISSUES

Business problems and issues associated with the lack of service providers to assist with the Talent Acquisition process is as follows:

- 4.1 Long cycle times to fill positions at all levels;
- 4.2 Lack of a database with experienced candidates who possess the requisite skillsmix, leading to inability to source suitably qualified candidates;
- 4.3 Limited accessibility to available resources to fill positions to meet operational requirements during peak periods;

5. OBJECTIVES

The following strategic benefits will be delivered from the procurement of Executive Search and/or Recruitment Agencies Panels:

- decreased recruitment process by reducing the cycle times;
- a database of suitably qualified and experienced candidates to sources when implementing the staff-on-demand approach during peak periods;
- improved quality and objectivity of the recruitment process; and
- candidates' retention services

6. SCOPE OF WORK

6.1 Successful bidders for Recruitment Agency services are expected to:

- 6.1.1 Use the defined functional requirements as basis for solution implementation to cater for the full implementation life cycle which involves scoping, researching, sourcing, interviewing, conducting risk assessments and present suitably qualified candidates to TIA to be interviewed; liaise with the candidate always and provide feedback to all candidates involved in the recruitment process.
- 6.1.2 Successful bidders for Executive Search Services must be able to scope the assignment, conduct research, interview candidates, conduct risk assessments, present the shortlist of candidates to be interviewed, provide feedback to candidates at the end of the recruitment and selection process; provide candidate retention services after appointment.
- 6.1.3 Provide the organisation with candidates to fill temporary or fixed-term contract positions as and when required by TIA.

7 FUNCTIONAL REQUIREMENTS

The functional requirements defined below:

- 71. TIA will manage the placing of adverts in the media through the Supply Chain Management (SCM), however the service provider is required to assist TIA with the recruitment and Executive Search process as described under the functional specifications.
- 7.2 TIA reserves the right to directly advertise, recruit and fill any vacant positions at any time using in-house recruitment platforms .
- 7.3 The service provider / s will be required to assist with the process of filling the current and future vacant positions of any of the following categories, as and when required:

1.	Top Management vacancies
2.	Senior Management vacancies
3.	Middle Management vacancies

4. Professionally qualified/junior management vacancies

5. Semi-Skilled vacancies

7.4 **Expected Deliverables**:
